

Nuffic Scholarships

- Orange Knowledge Programme (OKP)
- MENA Scholarship Programme (MSP)

About the eligibility check

If your application does not meet the eligibility criteria it will be rejected regardless of any effort, time and money you put into it. Each institute has a limited number of candidates to be nominated. The assessment by The Hague Academy will be done on the same criteria as the Netherlands Embassy.

If your application is eligible and you are nominated, it will be assessed on:

- The degree to which you fit into the target group of the programme;
- How well you would be able to implement the newly-acquired knowledge in your daily work;
- How the knowledge you acquire will contribute to the capacity building of your organisation;
- To what extent the knowledge will contribute to the development of your home country;
- How well your action plans upon return to your employer are described and how realistic they can be implemented;
- Your application will be assessed according to the country focus each embassy has set.
